TRANSFER PRICING ASSOCIATES in a press release in Netherlands on July 1, 2013 announced -

“Transfer Pricing Associates is pleased to announce a new alliance partner, Nangia & Co. of India, an experienced accounting firm with 30 years of history, offering a wide range of services including corporate tax, international tax, transfer pricing, mergers & acquisition, audit & assurance, risk advisory and more. Nangia & Co. is experienced in providing services to major industries including aviation, real estate, media, auto components, manufacturing, IT, shipping, and hospitality.

Nangia & Co. is a prominent award winning enterprise and tax advisor. It was rated as a leading tax firm by International Tax Review in 2013. Its team comprises experienced professionals, including nine partners and a total of 150 employees, working in three offices in India in Dehradun, Delhi and Mumbai, as well as in one Singaporean office. Through its workforce and experience, Nangia & Co. displays profound knowledge in the oil & gas sector, having provided consultancy services to a number of Fortune 500 companies. Nangia & Co. is one of the largest Indian firms to provide accounting services in this industry. The company is fully equipped to deliver end-to-end solutions from conceptualization to execution of tax reporting systems, to a full support service in tax audits and litigation processes.

Nangia & Co. will be rendering professional services in India with the support of the TPA Global Group, contributing its transfer pricing expertise in the oil & gas industry. The partnership strengthens the position of the TPA Global Group in Asia.”
